LAUGHABLE PLAY SHOWING AT STAR

It is a Nestor Comedy Featur-
ing Victoria Ford, Lee
• Moran and Others.

"Wanted, a Chaperon," one of the biggest and most laughable comedies produced by the Nestor Stock Company, is showing today at the Star theater. Miss Victoria Ford, Lee Moran, Eddie Lyons and other celebrated comedians are featured. "Her Alibi" is an unusual and thrilling two-reel Domino picture. "Tony," an Imp special, is also shown, making a top-notch program for today.

"The Mollycoddle," an American "Beauty" release, is a screamingly funny enactment of a ridiculous Kansas City pork packer and his troubles. He has them aplenty.

The Bijou management has a fine Saturday show—Edison's two-part drama, "Poisoned by Jealousy," Helen Holmes in a thrilling railroad drama, "The Girl at the Trestle"; "His Jungle Sweetheart"; and "Sweedie's Hero," making a six-reel program.

Monday George Kleine will present "The Vendetta," a five-act classic production. This masterpiece is from the novel by Marie Corelli. Its odd incidents are based on an actual occurrence in Naples in the year 1848. Fabio Romani is buried in his own family tomb, returns to life to find his wife and dearest friend unfaithful; discovers vast riches in the tomb left by a pirate and uses this mighty wealth to satisfy a horrible revenge—these in brief are the unusual incidents of a story that shames mere fiction in its terrible reality. "A Sister's Burden," a two-part Kalem drama, will also be shown Monday.

Maciste, the giant in the spectacular production of "Cabraria," is to be featured in a story by Agnes L. Bain. Part of this production will be staged in this country. Some of the popular stars appearing in "Cabraria," will also appear in this production.

"Gauguin," one of the latest feature releases in which Francis X. Bushman is starred, is showing today at the Robinson Grand. It is a six-reel picture. Everyone is familiar with the book by that name and this production sprays the stage version and holds spectators spellbound from the beginning to the end. Mr. Bushman is at his best in this film play, and all lovers of romance will be delighted with it.

Monday is Paramount day and on this occasion the star will be Wallace Edinger in one of the very big Broadway hits, "A Gentleman of Leisure." This play ran an entire season at the Hudson theater in New York. Mr. Edinger is supported by a Paramount cast. As an added attraction the management has secured a return of Charles Chaplin in "The Tramp."

Daniel Frohman, assisted by Isaac Marcossion, is to write the life of his brother, Charles, which biography will be published in serial form in a prominent magazine. The book will be a comprehensive one, and will form a valuable contribution to the literature of the stage.

An entire new program is being presented by the Curt Burke company at the Palace theater. It is entitled "At Atlantic City."

Several beautiful solos are sung by Miss Betty Frank and a number by the different girls in the chorus. Burke and King are the fun makers and keep the audience going at all times. King's dancing is good and shows that he has had lots of training in that line.

Better to accommodate patrons, two vaudeville performances will be given every Saturday hereafter in the afternoon and three in the evening, the hours being 2:30, 7:30, 8:40 and 9:45 o'clock.

Next week Cliff Watson and his celebrated "Peerless Maids" will be at the Palace with every thing new and different. Monday they will present a rural farce comedy, "The Hoosier Boy," also a number of added attractions such as Bolus and Bolus, society singers and dancers, and Andrews and Thompson, concertina specialists.

The Keith vaudeville authorities have issued a peremptory ban on all criminals, litigants and notorious persons, and will not allow such features on its books. In which they have rendered a distinct and timely service to the stage, and deserve the thanks of all self-respecting theatergoers.

The Laura Ida Booth Musical Comedy Company will close a very successful week's engagement at the Odeon theater tonight.

For Monday, Tuesday and Wednesday of next week the offering at the Odeon will be "The American Minstrel Maids."

The pictures for today are the latest episode of "The Hazards of Helen," entitled, "A Fiend at the Throttle," "Cutey's Sisters," a Vitagraph comedy, and an Essanay drama entitled "The Dawn Road."

As soon as "Jealousy Where Art Thou," by Raymond Schrock, scenario editor of the eastern Universal studios, has been completed, Ben Wilson and Dorothy Phillips will commence on "Souls in Pawn," by Margaret Harvey. Both of these stories are particularly well fitted to these accomplished and talented Rex stars.

"When London Burned," in three acts, a story of the sixteenth century, from the pen of one of the world's most famous writers, Harrison Ainsworth, is the feature offering of the Orpheum theater today. It is filled with thrilling scenes and tells of the destruction of old London. The large and superb cast plays it with vivacity and the whole production is in a class by itself.

Monday will be double feature day at this popular theater, and the special Keystone, two-reel comedy, "Our Dare Devil Chief," will be the feature offering. This is a very funny film and contains a thousand laughs.

Dependability—versus Ingenious Claims

MORE than 75 Concerns now manufacture Tires. We believe that everyone of these makes as good Tires as he knows how, at the lowest cost His experience, Equipment and Methods make possible.

We believe that the average Tire Manufacturer is fair in his treatment of Adjustments, and that few deliberately misrepresent their product, either verbally or in print.

We believe that no Tire Manufacturer can afford to make statements in print about his product, which statements cannot be borne out by the performance of his Tires, in actual use.

We believe that the Tire has never been made which will not "Rim-Cut" if run "flat" for any considerable distance, and that many makers, including Goodrich, have always produced Tires that would not otherwise "Rim-Cut."

We believe that the cutting out of needless expenses like this (which our Precision Methods save) constitutes one of the strongest reasons why the largest Rubber Factory in the World (Ours) produces the greatest Mileage-per Dollar of Cost—in its Tires.

And— "The PROOF of the Tire is in the Mileage thereof."

We believe that the House which sticks to the Truth in its Advertising, is reasonably sure to stick to the Facts in its Sales.

You have never yet found anything in Goodrich Advertising which was not in the Goods it advertised.

Hence you may pin your faith to the following statement: Goodrich Safety-Tread Tires give, with most UNIFORMITY, the greatest MILEAGE and Resiliency, at the lowest Cost, per MILE, to Tire Users. Test them and see!
